Subject Test Plan and Robust Study Summaries

Attached please find the test plan and currently available robust study summaries for Tetradecyloxirane, (CAS# 7320-37-8, also called 1,2-epoxyhexadecane) which Arkema Inc volunteered to sponsor in the HPV program in a letter dated October 21, 2005. The test plan and robust study summaries will be updated as additional information becomes available.

If you have any questions please feel free to contact me. My contact information is listed below.

Thank you,

Sandi
